ORCHESTRA SEEKS COMPOSER

Inspired by our previous successes, Yorkshire Late Starters Strings is again seeking a composer to create music with us

We are...

an ambitious amateur string orchestra with a wide range of playing ability. We love a challenge and are seeking to work on an original and adventurous piece of music that includes and inspires all our players.

You are...

interested in creating a 10 minute piece of high musical quality. The **£500** prize will not make you rich but, if you live in the UK or Ireland and are looking to work with an enthusiastic orchestra, then this is for you!

We invite you to submit a piece to be considered for a workshop in Leeds in October 2022 with renowned composer Nicola LeFanu, YLSS, and conductor Stuart Hazelton. Individual tutorials with Nicola will be offered to those shortlisted. The selected piece will be performed in 2023.
